## HEALTHCARE EQUIPMENT

### PANACEA® 8000 BARIATRIC BED

- Steel rib-style deck with heavy-duty casters can support up to 800 pounds
- Integrated width and length extension allows you to adjust without the use of tools, so you can easily meet different resident needs without investing in additional equipment
- Pendant features Comfort Chair button to help keep the resident's hips and shoulders aligned when in the seated position
- Optional staff control includes Trendelenburg and Reverse Trendelenburg while Advanced Staff Control kit provides real-time digital angle indication
- Integrated leg lift means elevating the foot section of the bed is simple for caregivers
- Backlit hand pendant makes bed adjustments during the night easy for both residents and staff

### RAIZER M LIFTING CHAIR

- Compact mobile lifting chair accommodates up to 330 lbs.
- Chair easily assembles underneath the resident after a fall to help them to their feet
- Great option for Assisted Living or communities without floor lifts
- Choose either manual crank or battery powered lift mechanism

### DIRECT SUPPLY® MULTI-BRAND COMPATIBLE SLINGS

- Easily standardize and save by using one brand of slings across your entire lift fleet, even if you use lifts from multiple manufacturers
- These durable and high quality slings have passed testing for compatibility with leading brands of lifting equipment
- Available at a lower price than leading manufacturers

### PANACEA® ATLAS LIFTS

- New powered floor and sit-to-stand lifts completes the line of Panacea Atlas lifts and offers similar features as leading manufacturers at a lower price
- Compatible with Direct Supply Multi-Brand Slings

### DIRECT SUPPLY® RESIDENTIAL ZERO OPENING ASSIST

- Compatible with most twin-sized frames, including residential frames
- Sleek, simplistic design features no openings in the handle to minimize entrapment risks
- Simplified bracket design is easy and intuitive to install

## HEALTHCARE CLINICAL

### ATTENDANT® TOUCHSCREEN CONNECTED VITAL SIGNS MONITOR

- Dual thermometry conveniently accommodates both no-touch infrared and oral thermometer for flexibility at point of care
- Compatible with DS smart® technology to seamlessly connect to your EMR
- Available at a new lower price for 2022

Setup is easy.  
Online training is fast.  
Get started today at [dssmart.net](https://dssmart.net).

The DS smart® EMR connectivity solution takes time and errors out of the vital signs documentation process by instantly connecting to select EMR systems.

**TIME  
SAVINGS**

**ENSURE CLINICAL  
DATA ACCURACY**

**IMPROVED CLINICAL  
OUTCOMES**

**EASY TO IMPLEMENT  
AND SUPPORT**

\*Savings calculated based on a study in May 2018, focused on the documentation of time savings for caregivers when replacing manual entry of vital signs data with an EMR with automated documentation using the DS smart® solution with 855 residents. Vitals were taken 1.5 times per day. Case Study: "Time Savings" By Scott Boyce, MBA; Brandon Dey, and Liz Jensen, RN, MSN, RN-BC (available upon request)

## REHABILITATION

### DIRECT SUPPLY® ANTI-ROLLBACK

- Automatic arms hold wheels in place when a resident stands to help boost safety during ingress and egress
- Design allows chairs to fold for storage; doesn't require additional space considerations or impede caregiver's stride when walking behind the chair
- Compatible with most standard wheelchairs, including Panacea® and leading manufacturers

### DIRECT SUPPLY® WHEELCHAIRS

- New, expanded line of exclusive Panacea wheelchairs offers additional features
- Enhanced supply chain stability for faster ship times and increased in-stock availability
- Extended warranties on select frames and components

## REHABILITATION

### **RICHMAR APT PERFORMER ACTIVE PASSIVE BIKE**

- Industry-standard strength and symmetry training modes for upper and lower extremities helps improve functional outcomes
- Intuitive interface allows you to measure and record individuals' progress throughout a treatment program
- The first-and-only active-passive trainer on the market to incorporate fine motor skills training

### **NUSTEP UE8MAX & UE8PRO ERGOMETER (UPPER BODY BIKE)**

- The first upper body ergometer with a swivel drive train which allows users to sit, stand or have wheelchair access without removal or attachment of the seat
- Intuitive software paired with an inviting touch-screen monitor creates an engaging user experience and easy-to-track metrics

### **NUSTEP T6MAX & T6PRO RECUMBENT CROSS TRAINER**

- Features a low step-through design, 360-degree swivel seat and StrideLock mechanism for easy access
- Low-impact, total-body cardio and strength workout accommodates virtually all fitness levels
- Dual-touchscreen display, engaging workout apps and wireless technology work together to enhance the user experience

## ENVIRONMENTAL

### **DIRECT SUPPLY® DUAL-MOTOR VACUUM**

- Achieve an efficient, wide-path clean
- 50' professional extension cord provides 100' of cleaning reach, including under beds and furniture
- L-shaped vacuum head adjusts to suit various flooring types and reaches into corners and crevices for a deep clean
- Crevice tool included for hard-to-reach cleaning
- Wire-reinforced hose stretches up to 6' to maximize cleaning reach
- Cleaning Path: 15"
- Limited warranty: 2 years commercial

### **DIRECT SUPPLY® SINGLE-MOTOR VACUUM**

- Wide-cleaning vacuum with 13"W self-adjusting head that transitions from carpet to bare floors without manual adjustment
- Virtually indestructible, reinforced fan backed by a lifetime warranty
- 40' power cord connects via a clamp to a pigtail cord to accommodate easy cord replacements without expensive repairs or re-wiring
- Weight: 8 lbs.
- Warranty: 2 years limited; lifetime warranty on fan

### **BLUE PLANET STABILIZED HYPOCHLOROUS ACID**

- Sanitize hard, non-porous food contact surfaces gently and safely with no wiping or rinsing necessary
- Breaks down into simple salt and water after use, leaving no chemical residue
- Contains no alcohol, bleach, ammonia, dyes or added fragrance, and produces no harsh fumes
- Broad spectrum hospital-grade disinfectant meets AOAC germicidal and OSHA bloodborne pathogen standards
- 18-month shelf life; EPA registered for List N

## FOODSERVICE

### DALEBROOK BY OMNI, MELAMINE DINNERWARE

- Porcelain look is actually 100% food safe melamine, which is a great insulator, but lighter and cooler to the touch.
- High contrast handles and rims help residents with visual impairment.
- Wide stable cup base, domed saucer for easy relocation, raised plate lip reduces need for plate guards, silicone feet to prevent sliding and cups with secondary contact point all provide diners with more control and greater independence.

### DUKE WATERLESS STEAM TABLE

- Unit requires no filling, draining or water connection providing easier set up and clean up that's safer for staff
- Less maintenance with no descaling or deliming needed
- More consistent holding temperature
- Costs 70% less to operate than traditional wet wells
- Fast and easy cleaning thanks to removable non-stick liner

### AMTL2 TWO-LEVEL DOOR DISHMACHINE

- High-capacity layout allows you to efficiently wash two racks during one cycle
- Pillarless design makes it easier to load and unload and allows washing of sheet pans in top chamber
- Multiple cycle options allows you to customize the wash time based on what you are washing
- Simple touchscreen operation and online diagnostics
- 17" upper chamber, 9" lower chamber.

## TEXTILES

### NEW! DIRECT SUPPLY® TEXTILES™ MISSION NON-QUILTED BEDSPREAD

- Attractive design is reversible for unique versatility

### GRACELYN BRAID NON-QUILTED BEDSPREAD

- Reversible design with subtle braided pattern

### PERFECTCLEAN® PRIVACY CURTAIN PULL

- C-pull design clamps onto any type or style of curtain and provides a "Hand Target" for patients, caregivers and visitors
- Easily wiped down and disinfected.
- Infused with Micrillon® providing built-in rechargeable antimicrobial product protection.

### TANATEX POINT OF VIEW MAYCROFT PRIVACY CURTAINS

- Graded pattern available in multiple colorways
- Features integral mesh along the top

## FURNISHINGS

### MAXWELL THOMAS® RIDGELAND DINING CHAIR

- Popular dining chair now available with four distinct chair back designs
- Select either standard or accent seat style depending on the form and function of your space
- Mix and match configurations across your building for a consistent style that offers visual variety – all at one consistent price point

### HOLSAG ALTA DINING CHAIR

- Family of chairs includes armchair, side chair and barstool allowing you to quickly coordinate throughout your community
- Built with 100% European Beechwood
- Antimicrobial, catalyzed lacquer finish inhibits absorption of germs and bacteria
- Generous gap between back and seat allow for easy cleaning

### NEW! MAXWELL THOMAS® AMERY DINING CHAIR

- Mid-century modern style featuring a cozy pillow back is perfect for independent living
- Flexible design works well in bistros, private dining spaces or as an accent chair
- Bleach cleanable for fast and reliable infection control

# Bringing what's next to Senior Healthcare™

Direct Supply is connecting care providers, startups, universities and a diverse array of industry experts to develop and deliver next-gen technology breakthroughs that help:

Elevate resident & staff safety

Improve staff efficiency

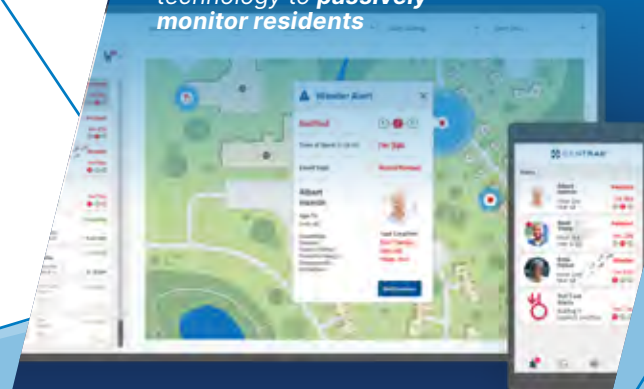

Reduce operation costs

And more

Achieve up to 40% fall reductions & 80% fewer ER visits using Artificial Intelligence<sup>1</sup>

Leverage smart wearables and real-time geolocation technology to **passively monitor residents**

Improve air quality for your residents and staff with innovative technologies

Discover life-enhancing breakthroughs for seniors in the **largest tech lab** of its kind in the United States
